

VIRTUAL REALITY(VR) - internship

Are you studying and talented in the creation of serious games and applications? Are you looking for an internship and does it sound like fun to work in the small team with big international clients in the food industry?

Then we're looking for you! Within our company MetaChef we efficiently creating and combining food products, packaging and designs in 3D, VR and AR applications and visualisations.

Job Description

As an intern in VR, you're responsible for the in-app interactive guide on how to use the VR app, together with the team. You're proactive and translate creative ideas to workable concepts in the design process.

- You are following a study related to game design/engineering;
- You have experience with Unity3D and C#;
- You have an affinity with 3D, web development (JavaScript, TypeScript, Vue.js) and Babylon.js;
- You have an excellent command of the English language in word and writing;
- You're creative, excited and know how to translate ideas into reality;
- You have attention for detail and take pride in your work.

Who is MetaChef?

MetaChef – a fast growing sister company of het Foodatelier & DiDutch – specializes in creating state of art (interactive) 3D visualizations and applications of food products, packages and machinery. Our absolute efficient production approach sets an unparalleled standard for 3D digital food models and we are the only ones in the industry to integrate food and packaging. Our unique services help developers, marketers, teachers and trainers to communicate their message in the most effective manner.

What do we offer?

- A challenging internship within an inspiring work environment with an enthusiastic team;
- You will be challenged to get the most out of your skills;
- At the start of the internship you will follow a challenging course of 2 weeks to get you familiar with our way of working.
- Daily lunch with the team and weekly fresh fruit;
- 10 half days for personal development (on a full-time basis);
- An informal working atmosphere (including fun team activities & Friday afternoon drinks);
- In addition, as a team we like to be inspired by regularly going on the road, nationally and internationally. This includes visits to retail formulas, concept stores, restaurants, cities, etc.

Exited?

Are you exited and would like to take the challenge? We would like to see your drive and motivation combined with a CV. Mail your application to Koen@metachef.nl. For more information you can also contact Koen Lentfert personally (06-22446998).
